The background of the cover is a manga illustration. On the left, a man with dark hair and a black shirt is shown in profile, looking down with a somber expression at a woman lying on the ground. The woman has dark hair and is wearing a light-colored top. The scene is set outdoors with some foliage visible in the background.

We haven't found the next host. So if it really gets out of control, we need to use the medicine.

Are you feeling responsible somehow...?

I know that.

Bringing him out to the day, even though it's still in the same area.

It's not a bad thing to have him experience being together with others.

I'll find some other way.

So once his duty is over... he could live a normal life.

the more Taki experiences and learns... the more he would have to give up.

And if it doesn't work out in the end...

Right now,
he's still attached
to some things.

It would be
easier for him
to give this life up
if he knows need
to nothing.

When the
time comes,
hard become a
mere container
for the soul.

If you recklessly
give him knowledge
and emotion,
it would make him
suffer more...

I'll find
a way
to avoid
that!

Man...

Hard even

if you tell
him so.

Well,
there's no

anything.

He would

I didn't notice anything in particular.

No...

Is this because the blanket here is not as good as the one at the main house?

Did you see how this happened?

This doesn't look good...

Well, we can find out what happened once we let Satoshi have a look at his memories...

on his last night here, huh...

This just had to happen

Don't touch him.

Anyway, there's a towel and some clothes to cover him with

Now it
looks as if
nothing
ever hap-
pened.

All that
brutal
returned
to his leg

Sorry
for the
trouble.

I'll spend the
night here,
just in case.

I wonder

Prepared
for what
scenario?

Just let
him rest.

Yeah

I'm
prepared
for it.

And we
haven't
found
the real
candidate.

He is looking
the age limit
as a vessel.

IS TOTALLY
USELESS...

IT HURTS

Hi...

Here.

You left

room.

That

must
be very
important
to you.

Thank
you very
much.

It was
gone by
the time
I noticed
it.
I looked
all over
for this.

I guess
it is...

Sorry—
and

Truly different
from the
type I heard
in stories.

Takii-kun,
you're really
something.

I thought you'd
be resenting or
disappointed
at your current
situation.

"YOU'RE
DOING
HELL."

"I'M
SORRY!"

"THANK
YOU!"

Actually...

there are
times when
I feel like
that.

If you had died back then... wouldn't it be easier for you?

But

If I weren't found that day when I was a baby, I probably would've died

As far as I can see, you're not treated well enough in return for your sacrifice.

You wouldn't have to suffer like now.

They also don't allow you to do a lot of things.

I wonder...

What does he want from me?

You were in so much pain yesterday...

I can't see brother's much so I can't understand him.

...

since you have such a beautiful face...

I'm just trying to say... you should smile and put a little bit more...

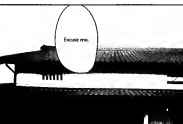

Ah
Sorry

Please don't take it the wrong way

Yoshimi-san,
